CALL FOR PAPERS

Papers are invited for the upcoming issues of CARSS International Journal of Innovations in Engineering Studies. Authors are invited to submit their manuscripts in anytime of the year. The submitted manuscripts will be automatically queued for the next available issue. Authors are encouraged to submit papers based on their research work highlighting their contribution in the work and novelty of the work. However, technical notes, surveys and review of relevant research may be submitted for review. For review purpose, Ms Word files or paper submitted. Please email to leadsjournal@yahoo.com or bushwealthjournal@yahoo.com. For paper submitted through surface postage, send 3 copies of the manuscript accompany with CD (Electronic copy) to the Administrative Editor. If the manuscript is rejected, one of the three submitted copies will be returned to the author, the others will be destroyed.
